

# Parents ...

## Is Your Child's Blood Lead level 5 or Over?

### Do they have learning or behavior problems?

### Come to our workshops and learn how to Better your Child's Life & Future!

**St. Louis Lead Prevention, Healthy Homes, Healthy Families**  
Has **FREE** workshops to help St. Louis City parents & caregivers.

These **FREE** trainings include fun hands-on activities & take home child-parent projects, snacks and attendance prizes.

You'll learn to:

- Recognize learning and behavior problems
- Find local resources to help you
- Voice your concerns for your child to your school & ask for services in a way to get what your child needs
- Learn lead safety basics and prevention
  - Complete the workshop series & get a home lead-safety/cleaning kit

**Workshops available in your area**

***Please call Judy Riehl at 314-664-9922 to enroll***
